

I AM F.U.S.E

free unashamed safe empowered

F.U.S.E is an organization that helps eradicate human trafficking by empowering one survivor at a time through prevention education, community outreach projects, rescue missions, and restoration programs. We are a movement focused on helping survivors adopt a mindset of inner beauty, worth, and strength.

- Human trafficking is the business of stealing freedom for profit, it affects 50 million victims worldwide.
- 82% of those trafficked are domestic/U.S. citizens, 75% of these victims are female.
- Although human trafficking has been detected in all 50 states, Florida ranks #3 in the nation to be affected.
- Human trafficking is the fastest growing criminal enterprise, the United States is the #1 leading the demand.

Your support and contributions will enable us to help abolish slavery. With each gift, we are able to provide safe housing, programming, and life changing restoration to our survivors. Your act of kindness helps us fight for freedom!
