

Tradition Friendship Community

Hello Ladies,

I would like to invite you to join us and become a member of Fort Myers Woman's Community Club. As President of the club I would like to share with you some of our history and the things we are up to in 2020.

Founded in 1927 by an amazing group of ladies, the Fort Myers Woman's Community Club stands as one of the area's oldest organizations. With members across multiple generations, we strive to offer programming to maintain traditions of hospitality, while enjoying interesting and informative topics, and learning of opportunities to support our community through philanthropic events.

Ladies 16 and older are invited for membership in our organization. One of the unique aspects of our club, our cross-generational friendships prove to be one of our biggest assets. Our members come from varied backgrounds including professionals, home executives (as Mina Edison referred to herself), students and retirees. Newcomers to our area wishing to connect with our community and long-term residents are welcomed to our group.

Our traditional White and Pink Teas honor our organization's roots in hospitality with beautiful white linens, silver trays filled with delicious tea sandwiches and lovely flowers gracing the tables. At January's White Tea, you will meet the women who have shaped our community as we celebrate the Past Presidents of our organization. Looking to the future in April, members are invited to bring their daughters to the Pink Tea to enjoy lovely food and a fun time socializing with each other. Together, these meetings continue the traditions begun by our founders.

In addition to our traditions, members will enjoy guest speakers selected to inform and entertain. Topics include the arts, mental health, local history, charitable organizations, planting gardens and local businesses giving us fun ideas for the holidays. Our Outreach Committee also arranges for speakers from local organizations to share about their efforts in serving the residents of Southwest Florida.

We offer a combination of socializing and service throughout the year, allowing for various levels of involvement and interests. With a long history of showcasing the creative talents of our members through projects like our annual Holiday House and the Coronation Ball for the Edison Pageant of Light, we also participate in the Habitat for Humanity Women Build in the Spring.

For more details about our meetings and programs for 2020-2021 year, please visit other areas our website, www.fmwcc.net. We also invite you to follow us on social media on Facebook and on Instagram: #fmcc.

Warmly,

Alexandra Bremner

President, 2020-2021
