

March 22, 2020

Dear friend,

I hope this message finds you well. In light of the most unusual circumstances that have overtaken our daily lives, our Executive Board voted to cancel the April and May general meetings for FMWCC. We will hold our Board meetings virtually for these two months in preparation for the transition to our club's next year.

In lieu of face to face meetings for our membership, we are exploring virtual programming to safely offer support and camaraderie for you through email and social media. You will also receive the Spring 2020 newsletter and your membership renewal information in April.

On a side note, if you are on Facebook, the current closed group page for members is titled "Members of FMWCC." If you have not joined the current group, I encourage you to do so today. Type the page title in the search box on Facebook and click the "join" button. We will verify you and approve your request.

Be safe and look for more communication next month.

Kind regards,

*Liane*
